ACHIEVEMENTS

MoU-2023

MPU attended the 'Third Summit on Educational Alliances' by CEGR (Centre for Education Growth and Research) at New Delhi. During this summit MPU signed 30 plus MoU's with various Government and Non-government organisations for quality enhancement and resource sharing.

PROUD MOMENT

MPU is awarded as the most emerging university in central India. We are so grateful to @zeemedia for this great opportunity.

Celebrating 23rd Foundation Day

As an yearly ritual, Patel Group of Institutions & MPU celebrated its 23rd foundation day on 11th July 2023. The Program has been started by offering the prayers to God by lighting the lamp as a symbol of invocation of the waves of knowledge. Dr. Ajit Singh Patel, Pro-Chancellor addressed the gathering including the staff members and acknowledged their work by expressing praise for their efforts. Various events like Pool campus drive, free medical camp and plantation in the campus were also organized on this auspicious occasion.

77TH INDEPENDENCE DAY

On the occasion of the 77th Independence Day, MPU, Bhopal celebrated with great fervor. The essence of patriotism and the spirit of liberty permeated every individual present to witness this remarkable day in our country's history. The patriotic spirit of the day shine brightly as we share messages of freedom, struggle, and unity.

TEACHER'S DAY

Teacher's Day holds great significance as it allows us to recognize and honor the remarkable contributions of our educators. People celebrate this day by going the extra mile to express their gratitude and admiration for teachers. Students at MPU prepared heartfelt cards, brought flowers, and created small tokens of appreciation for their teachers. The university also organized special events, performances and gatherings to showcase their love and respect for their teachers.

ENGINEER'S DAY

Successful engineering is all about understanding how things break or fail. Software is a harmonious blend of artistry and engineering. As the proverb goes, no nation is complete without Engineers. MPU celebrated Engineer's Day with great joy and enthusiasm. The event's chief guest was Dr. Akhilesh Barve, Chairman of the Rolta Incubation Centre at MANIT, Bhopal. Dr. Barve motivated the students to become entrepreneurs and strive for success in their lives. On this special day, students also showcased their projects.

AWARENESS CAMPAIGN

94.3 My FM conducted a campaign to promote road safety, encouraging the students of MPU to adhere to traffic rules and regulations. They also organized fun quiz sessions to interact with the students, posing questions related to traffic rules. In addition to this initiative, 94.3 My FM planted saplings in the college campus to emphasize the importance of trees and plants in our daily lives and to promote a message of global health.

VISHWAKARMA JAYANTI

Lord Vishwakarma is the divine craftsman, sculptor, architect, and engineer of the Gods, as well as the creator of the universe. Madhyanchal Professional University celebrated Vishwakarma Jayanti by conducting a worship ceremony for all our machines and tools.

NATIONAL CONCLAVE 2023

Students from MPU, attended the National Conclave 2023 on Emerging Management Paradigms. The Students got an amazing opportunity to understand how to improve the communication skills and also to enhance knowledge on various topics. The Conclave was proven informative and students got to experience something new.

WORLD PHARMACIST DAY

MPU celebrated World Pharmacist Day, this day united in action for a healthier world aims to emphasize the united effort of global pharmacists to improve the healthcare sector.

BEING A WOMAN

Being a woman may encompass traditional or modern roles, reflecting enthusiasm and readiness to face challenges. Self-identity often plays an underlying role in a woman's nature. MPU organized a fun day for our female staff with the theme of modern outfits. During this event, all our female staff competed with each other in their beautiful attire. The session became even more meaningful when Mrs. Preeti Patel, Chancellor of MPU, inspired all our female staff with her heartfelt words, filling the atmosphere with energy and enthusiasm.

INAUGURATION OF AUTOMOBILE CLUB

Clubs are the instruments through which one can find their hidden talent. Faculty of Mechanical Engineering, MPU inaugurated the Automobile Club "**Power Torque**" for the students of Mechanical Engineering. The formation of this club enhances the knowledge within the students and also helps them to show their talents.

MOTIVATIONAL TALK

Faculty of Arts, Humanities and Social Sciences, MPU organised Seminar on "Life Mantra of Success". The expert for this session was Mr. Surendra Bihari Goswami, Professor, Commerce, Sarojini Naidu, College, Bhopal. The speaker acknowledge the students with his motivational thoughts that In order to achieve your dreams and be the person you want to be, you will have to start paying attention to your actions. Ask yourself, "Is what I'm doing going to lead me to where I want to be in life?"

INDUCTION PROGRAM 2023

An induction program was organized for the first-year batch by the Faculty of Agriculture Science & Technology and the Faculty of Medical & Paramedical Sciences. The chief guest for the session was Dr. Sanjay Jain, Chairman of the Madhya Pradesh State Pharmacy Council and a Member of the Indian Pharmaceutical Association. The guest of honor was Dr. A. K. Singhai, Director of LNCTU, Bhopal. The session became even more informative with addresses from Mr. Eshaan Patel and Ms. Esha Patel, Executive Directors of MPU, as well as from Dr. Kamlesh Mishra, Vice Chancellor of MPU.

ORIENTATION PROGRAM 2023

Patel College of Science and Technology organized an "Orientation Program" for the first-year engineering students on September 12, 2023. The session commenced with the lighting of a lamp and a warm welcome to the guests, accompanied by presenting them with tokens of appreciation. The Chief Guest for the event was Dr. K.K. Jain, Chairman of Siemens Centre of Excellence, Digitisation, and Industry 4.0. Dr. Jain motivated the students for a fresh start on their new journey. This session helps new students adjust and feel comfortable in the new environment, instills in them the ethos and culture of the institution, fosters connections with other students and faculty members, and introduces them to a sense of greater purpose and self-exploration.

The Faculty of Science & IT, the Faculty of Commerce & Management, and the Faculty of Engineering & Technology at MPU organized an Orientation Program for the First-year batch on September 13, 2023. The session began with the lighting of a lamp, followed by the presentation of tokens of appreciation to the guests. The Chief Guest for the event was Dr. Mukesh Kumar Mishra, Secretary of the Institution of Engineers. This session helps students prepare for a successful career with a clear vision of what lies ahead and what can be achieved upon completing their courses.

METRO SMART PARK

Students from the Mechanical Engineering, MPU visited Metro Smart Park. The park opens the doors to endless possibilities and learning opportunities. Witnessing the magic of industrial processes is a truly enriching experience. An industrial visit serves as a window to the real-world applications of academic concepts.

GLOBAL SKILL PARK BHOPAL CITY CENTRE

An industry visit was organized for engineering students to Global Skill Park Bhopal City Centre, which is the first multi-skills park in India. This park provides advanced job-ready skills training of international standards through workshop-based programs, offering hands-on experience with state-of-the-art CNC machines, the latest design software, and metrology equipment. During the visit, students gained knowledge about various machines, including CNC lathe machines, milling machines, tool measuring techniques, rapid prototyping techniques, injection molding machines, and die and punch making machines. They also learned about the design and manufacturing of precision dies and tools in various fields, such as automobile engineering, medical treatments, and aerospace.

STATE LEVEL SEMINAR

Students of MPU attended "The Madhya Pradesh State Price Monitoring & Resource Unit State Level Seminar" on "Fixation Ceiling Price under NLEM-2022 Ensuring Availability" under "AZADI KAAMRIT MAHOTSAVA". This session has provided the students with the knowledge of ceiling prices at which goods and services can be sold and also gained the knowledge of price control and the maximum amount that can be charged for medicines and medical devices.

NTTTR

An industry visit was organized for engineering students to Siemens Centre for Excellence in Digitisation and Industry 4.0, where they received high-end skill training, industrial consultancy, and conducted research in the field of Industry 4.0 and Digitization. During the visit, students acquired knowledge about various machines and explored eleven laboratories within the Centre of Excellence, including Additive Manufacturing, CNC Controller, Electrical and Energy Saving, Industrial Automation, Internet of Things, Manufacturing Process Digitization, Mechatronics, Process Automation and Instrumentation, Product Design and Validation, Robotics, and Simulation, Optimization, and Testing.

VIGYAN MELA 2023

Students of Engineering participated in the Bhopal Vigyan Mela 2023 and showed their innovations and ideas through projects and models in the field of Mechanical and Civil Engineering like the sliding bridge design, design of multistored residential building, man made stairs climbing machine. The design projects displayed by students also featured in doordarshan programme and all leading newspapers.

AZADI KA AMRIT MAHOTSAV

A one-day seminar titled Educational Scenario and Azadi Ka Amrit Mahotsav was organized by MPU, in which detailed information about the technical education and development of Azadi was given by Professor Vipin Kumar Tripathi, former Professor, IIT New Delhi and Founder of Sadbhavna Mission. Professor Vipin Kumar Tripathi in his speech gave information about the obstacles and struggles in technological development after independence, he told how the scientists gave importance to the development of the country with very limited resources and also warned the youth about the risks to be faced.

INDUCEMENT

MPU organized "Motivational Talk" at MPU Campus. The speaker of the session was Mr. Shashank Garg, Superintendent, Police Radio / Dial Hundred, Bhopal. The speaker motivated the students, by his words that if you may encounter many defeats, but you must not be defeated.

"At the end of the day, you are solely responsible for your success and your failure". There are no secrets to success. Never give up in life try hard till you get what you want in your life.

EXPERT TALK

Patel College of Nursing organized seminar for the Students of Medical and Paramedical Sciences. The expert of the session was Mr. Abhijit Sharma, Founder, Ayuda Educational Services Pvt. Ltd., in this session the students came to know how they can expand their skill set in working abroad, which allows them to access new cultures and experiences while keeping up with current trends.

TED TALK

The internal hackathon was conducted by Faculty of engineering and Technology for both hardware and software editions in which 15 teams presented their ideas in the presence of industry experts. The judges of the event were Mr. Abhigyanam Giri, CEO of Indyes Infotech and Mr. Arpit Soni from Robonauts India for the hardware edition and for the software edition Mr. Prateek Dubey and Mr. Milind Kumar from Avocaodo Techinfo, the first prize winner in software edition was Anjali kumari and team from Computer Science and Engineering and in the hardware edition first was Mantu kumar and team from Civil Engineering.

STUDENT DEVELOPMENT PROGRAMME

The Faculty of Commerce and Management, MPU, organized a Student Development Programme. The expert for this session was Dr. Archana Rathore, Associate Dean, ICFAI Business School, Jaipur. The Session has helped the students to view them self in a different but in a more positive way. They learn practical communication skill ultimately boosting their self confidence.
