National Conference

Fanning the flames of progress, Dr. Ajit Singh Patel, Pro Chancellor of Madhyanchal Professional University, recently met with Hon'ble Shri Inder Singh Parmar, Minister of Higher Education, Technical Education, and Aayush Department, Government of Madhya Pradesh. Together, they charted a course towards educational excellence and innovation, paving the way for a brighter tomorrow. Their collaborative efforts aim to propel the university towards new heights of achievement and distinction in the pursuit of academic advancement.

ACHIEVEMENTS

Miss. Naina Pannam
Student of Madhyanchal Professional University
Engineering student Naina Pannam won the crown of Miss MP with her excellent performance in the "Miss-Mas MP-2024" show.
#MPUStudentAchievement

MPU Family Congratulate!! our leading cricketer Vamsh Patel, 2nd year student of B.Tech (CSE) who has clinched the 1st position in "The RUN FOR SOLDIERS MARATHON".

Madhyanchal Professional University, Bhopal, in collaboration with the International Association for Sustainable Science, Engineering & Technology, successfully hosted the 2nd National Conference on Advances in Science, Engineering & Technology for Sustainable Development Goals. We were honored to have Mr. Lakhan Patel, Rajya Mantri (Swatantra Prabhar), Pashupalan evam Dairy Vibhag, grace the occasion as the Chief Guest. Alongside him, notable dignitaries including Ms. Preeti Patel, Chancellor of Madhyanchal Professional University, and Pro Chancellor Dr. Ajit Singh Patel, contributed their insights to the conference. The inauguration ceremony witnessed enthusiastic participation from all over the nation, totaling over 200 attendees. Mr. Patel's motivational address inspired participants to delve deeper into their research endeavors, emphasizing the pivotal role of science, engineering, and technology in advancing sustainable development goals. The event, a joint effort between Madhyanchal Professional University and the International Association for Sustainable Science, Engineering & Technology, provided a platform for knowledge exchange and collaboration among academia, industry, and policymakers. Through panel discussions, paper presentations, and workshops, participants explored innovative solutions to pressing global challenges. The 2nd National Conference on Advances in Science, Engineering & Technology for Sustainable Development Goals stands as a testament to our commitment to fostering research excellence and driving positive change for a sustainable future. We extend our gratitude to all participants, organizers, and supporters for their invaluable contributions to this enriching event.

Insignia 2024

Madhyanchal Professional University proudly hosted the Insignia Opening Ceremony, graced by esteemed guests such as Mr. Vineet Kapoor IPS, Ms. Ritu Chauhan, Joint Director of Mandi Board, Bhopal, and Mrs. Preeti Patel, Chancellor of the university. Notable dignitaries including Pro Chancellor Dr. Ajit Singh Patel, Executive Director Mr. Eshaan Patel, Director General Dr. Rajesh Kumar Rai, Vice Chancellor Dr. Kamlesh Mishra, and Registrar Professor Lalit Avasthi also attended the event. With students representing 30 universities across Madhya Pradesh in attendance, the ceremony aimed to provide a platform for showcasing knowledge and talents beyond academics. Mr. Vineet Kapoor stressed the importance of dedication and perseverance for success, while Ms. Ritu Chauhan emphasized the role of human service in fostering love and social justice. The event symbolized a celebration of innovation and excellence, inspiring students to continuously strive for improvement and make positive contributions to society.

Holi 2024

Madhyanchal Professional University welcomed the vibrant hues of spring with an exuberant Holi celebration. The event, organized by the university, witnessed enthusiastic participation from both staff and students. Holi, known as the festival of colors, symbolizes new beginnings and the release of inhibitions. It served as a joyous occasion for everyone to come together, spread cheer, and embrace the spirit of unity. Participants indulged in traditional rituals, including the playful throwing of colored powders and water, fostering camaraderie and friendship. Music, dance, and delectable treats added to the festive atmosphere, creating cherished memories for all. This colorful event exemplified the university's commitment to fostering a vibrant and inclusive community. Madhyanchal Professional University looks forward to continuing such enriching celebrations that bring people together in joyous harmony.

National Youth Day

Madhyanchal Professional University's vibrant celebration of National Youth Day on January 12th, featuring Mr. Manoj Gupta ji, Chief Officer at Swami Vivekananda Center, Provincial Methodology, Bhopal, as the esteemed chief guest, was a resounding success. Mr. Gupta's inspiring words, steeped in the teachings of Swami Vivekananda, resonated with the students, fostering a sense of purpose and motivation. We express our heartfelt gratitude to Mr. Manoj Gupta ji for his insightful contribution, which left a lasting impact on our university community, making the celebration truly memorable.

Women's Day

Madhyanchal Professional University celebrated Women's Day with great fervor and enthusiasm. The event was graced by esteemed dignitaries including Smt. Preeti Patel, Chancellor of the university; Shraddha Tiwari, DCP (Bhopal Zone 2); Smt. Shalini Dixit, Additional SP (Bhopal Zone 3); Vibhanshu Joshi, Actor and Writer; and Mrs. Aziza Ashraf, IAS (Director Health), among others. Ms. Eshaa Patel, Executive Director, and Dr. Kamlesh Mishra, Vice Chancellor, also attended the event, joined by all female staff and students of the university. The objective of the event was to commemorate International Women's Day, reflecting on achievements in gender equality and women's empowerment while advocating for continued progress worldwide. Special guests delivered motivational speeches, emphasizing the importance of women's contributions and encouraging male support for gender equality initiatives. Mr. Vibhanshu Joshi highlighted the significance of investing in women for societal advancement. Madhyanchal Professional University remains committed to promoting gender equality and empowering women in all spheres of life.

Basant Panchami

Madhyanchal Professional University joyously celebrated Basant Panchami, featuring Chief Guest Mr. Eshaan Patel, Director General Dr. Rajesh Kumar Rai, and Vice Chancellor Prof. Kamlesh Mishra. The occasion, aimed at honoring Goddess Saraswati, included Saraswati Puja conducted by Mr. Eshaan Patel and university students, followed by vibrant rangoli-making activities, enhancing the festive spirit on campus.

NCC Farewell

Madhyanchal Professional University recently held a farewell event, bidding adieu to its NCC cadets. Chancellor Ms. Preeti Patel graced the occasion, offering best wishes for their future endeavors. Organized by the NCC department, the event featured a vibrant cultural program. Hon'ble Chancellor's motivational speech inspired cadets, emphasizing the importance of excellence in their future pursuits. The event served as a memorable farewell, allowing cadets to reflect on their journey at the university. Madhyanchal Professional University extends heartfelt wishes to the departing NCC Students for success in their future endeavors.

Debate Competition

In recognition of hard work and outstanding performance by the students, Ms. Eshaa Patel, Executive Director of Madhyanchal Professional University, presented certificates to the winners of the debate competition, who have demonstrated excellence in their respective fields. May these certificates serve as a testament to your accomplishments and as a symbol of the recognition you truly deserve. Congratulations to each participant – your success is a testament to your perseverance and determination. Continue to shine brightly on your journey of excellence.

Republic Day

Madhyanchal Professional University celebrated Republic Day with great fervor. The event featured a flag hoisting ceremony led by Ms. Preeti Patel, honorable Chancellor of MPU, followed by captivating cultural performances by students. Inspiring speeches emphasizing constitutional values were delivered, along with a 'Run for Unity' event and networking opportunities. The event showcased our commitment to patriotism and unity, making it a memorable celebration of our nation's democratic spirit.

Freshers Day Party 2024

"New faces, vibrant vibes: Freshers Day Party 2024!"

Welcome to the start of a new journey! The event was organized to welcome our new students (freshers) to the campus. It's a day filled with introductions, dance, music, and lots of fun and enjoyment, aimed at helping students feel comfortable and integrated into their new academic environment.

A one-day seminar

A one-day seminar was organized by the Faculty of Engineering and Technology, School of Electrical Engineering in association with the Institution of Engineers, MP State Centre. Five eminent speakers delivered lectures on the topic of renewable energy development in India. The guest of honor for this occasion was Er. Mukul Dhariwal, Ex-Member MPERC, and Er. Rajesh Bisariya, Chairman, along with Dr. Mukesh Kumar Mishra, Honorary Secretary, IEI MPSC. Other speakers included Dr. Sheetal Sharma, Professor at VIT Bhopal; Er. Sunil Sood, Energy Consultant and Expert in HVAC and Power Systems; and Dr. Prashant Barreder, Head of the Department of Energy at MANIT Bhopal. The takeaways from the seminar included discussions on the importance of developing renewable energy systems in the current scenario, relevant policies, and regulations. Topics such as the utilization of wind energy as an alternative source, installation of solar panels, and developments in Smart City and intelligent systems were also highlighted. More than 250 students and faculty members participated in the seminar, which concluded with a valedictory session. As per the traditions of the Faculty of Engineering to award the meritorious students with the highest attendance, the same was carried forward for 1st-year MPU students, where more than 25 students were given appreciation certificates for achieving an attendance percentage of more than 90 for the session August to January 2024 of B.Tech and Diploma. This motivates the students for better performance and attending classes on a regular basis to enrich their theoretical and practical knowledge.

Mental Health and Personality Development

Madhyanchal Professional University hosted a seminar organized by Gillette focusing on Mental Health and Personality Development. The seminar aimed to raise awareness about mental health issues and provide strategies for personal growth and development. Speaker Mr. Gautam Bhan, Founder and Director Of Value Architects, introduced the importance of mental health and its correlation with personality development. He also discussed common mental health disorders such as anxiety, depression, and stress, along with their impact on personal well-being. The presentation included effective coping mechanisms and strategies for managing stress and maintaining mental wellness. Interactive sessions encouraged audience participation and sharing personal experiences. The seminar demonstrated Gillette's commitment to supporting mental health initiatives through its products and corporate responsibility efforts.

Basics of Startup and Innovation

In an inspiring gathering, the Startup & Innovation Cell at Madhyanchal Professional University successfully organized a seminar on the "Basics of Startup and Innovation." The event featured the esteemed Vijay Anand Saxena, a visionary entrepreneur known for founding Accountantlalaji and the vibrant "I am Startup Community India." The seminar was graced by the presence of the entire university staff and students, embodying the spirit of learning and curiosity. The aim was to imbue participants with the essence of entrepreneurship and innovation. The objective of this seminar was twofold: to develop entrepreneurial skills among the university's students and faculty and to nurture a culture of innovation-driven entrepreneurship.

National Science Day

Madhyanchal Professional University hosted a captivating National Science Day Celebration on February 28, 2024, featuring esteemed experts Dr. Shrikant Gangwar and Dr. Aseem Chandra Tiwari, along with dignitary Dr. Kamlesh Mishra. The event was attended by enthusiastic staff and students, aiming to highlight the significance of science and technology in society and inspiring a passion for scientific exploration among attendees. The expert lecture provided valuable insights into groundbreaking research and advancements, fostering an environment of curiosity and learning. Madhyanchal Professional University remains committed to promoting scientific excellence and innovation, empowering students to contribute meaningfully to the world of science.

Internal Quality Assurance Cell (IQAC)

We are pleased to inform you that the Internal Quality Assurance Cell (IQAC) at Madhyanchal Professional University has organized a 2-day workshop on "NAAC Awareness: Assessment and Accreditation" scheduled for January 23rd and 24th, 2024. This workshop aims to provide in-depth insights into the NAAC assessment and accreditation processes, focusing on the essential criteria for institutional evaluation. The event will feature interactive sessions with experienced professionals and NAAC experts, fostering the exchange of best practices and lessons learned from accredited institutions.

Automotive Skills Development Council

Madhyanchal Professional University, in partnership with the Automotive Skills Development Council, hosted a transformative webinar attended by all students. Focused on skill development, shaping the future of auto manufacturing, and Industry 4.0 readiness, it aimed at empowering students for the evolving automotive landscape.

workshop on Robotics Making

Madhyanchal Professional University hosted a dynamic one-day workshop on Robotics Making, led by Dr. Dheeraj Kumar and Mr. Rajesh Vishwakarma, Assistant Professors at MPU. The event attracted participation from all students, aiming to enhance their understanding, design, and programming skills in robotics. The objective was to provide a platform for students to express their creativity and apply their knowledge through conceptualizing and designing robots. Madhyanchal Professional University continues its commitment to fostering innovation and practical learning experiences, empowering students to excel in emerging fields of technology.

Visiting a Polyhouse

Madhyanchal Professional University's agriculture students recently undertook a hands-on initiative by visiting a polyhouse to stake capsicum plants using thread, focusing on enhancing vegetable quality and yield. Their approach involves careful staking techniques, regular pruning, nutrient management, controlled watering, pest control through natural methods, environmental regulation within the polyhouse, meticulous monitoring, and record-keeping. This proactive engagement reflects the commitment to sustainable and productive agricultural practices, ensuring a future of thriving capsicum cultivation at the university.

Homemade Apple Jam

Madhyanchal Professional University's Department of Agriculture 8th-semester students showcased their practical prowess with homemade apple jam. From orchard to kitchen, they blend theory with hands-on skills, crafting delicious produce. This project exemplifies their journey in applying agricultural knowledge to create marketable products, fostering innovation and sustainability.

NSS Camp

Madhyanchal Professional University recently hosted a dynamic 7-day NSS Camp, attended by all NSS students. Organized with the objective of nurturing a strong sense of social and civic responsibility, the event featured engaging cultural activities like nukkad natak, group dances, and rangoli making. Beyond cultural enrichment, students utilized their knowledge to devise practical solutions to individual and community issues. Through collaborative efforts, they honed essential competencies for group living and shared responsibilities. The camp underscored the importance of education in addressing societal challenges and instilled a deep commitment to community welfare. Madhyanchal Professional University remains dedicated to fostering socially conscious leaders poised to make a positive impact on society.
