**SIXTH NATIONAL EDUCATIONAL EXCELLENCE CONCLAVE**

Dr. Ajit Singh Patel, Pro Chancellor of Madhyanchal Professional University, addressed the Sixth National Education Excellence Conclave, organized by the Integrated Chambers of Commerce and Industry at the India International Centre, New Delhi. The event witnessed remarkable participation from over 15 states across India, marking its grand success.

**17th AUAP General Conference 2024**

MPU Shines on the Global Stage! Our Executive Director, Ms. Eshaa Patel, proudly represented Madhyanchal Professional University at the 17th General Conference of the Association of Universities of Asia Pacific (AUAP). The prestigious forum, attended by over 30 leading universities globally, was graced by Hon. CM Shri Mohan Yadav Ji. Ms. Patel shared her visionary insights on value-based education and the transformative role of AI in higher education, marking MPU's contribution to shaping the future of learning.

**MPU CELEBRATES YAKSHAGANA: A TRIBUTE TO TRADITION AND ARTISTRY**

MPU recently hosted a special Yakshagana event, marking a significant celebration of this ancient cultural art form. The evening began with a Ganesh Puja, a traditional ritual to seek divine blessings for success, prosperity, and harmony in the event's proceedings. As a symbol of respect and reverence for the environment, saplings were planted to honor distinguished guests, reinforcing the theme of sustainability and care for nature. The highlight of the event was a mesmerizing performance by Shivananda Ji Hegde, a world-renowned exponent of Yakshagana, who has been recognized by UNESCO as an Intangible Cultural Heritage. His enthralling rendition of the ancient art form captivated the audience, showcasing the rich history and intricate storytelling techniques that define Yakshagana. The performance was a testament to the vitality and relevance of this cultural tradition in today's world. In addition to the performance, an award ceremony was held to recognize the exceptional dedication of Yakshagana artists. The awards celebrated the performers' hard work and commitment to preserving and promoting this cherished tradition, ensuring its continuity for future generations. The event served as both a cultural celebration and a reminder of the importance of safeguarding our intangible heritage.

**PADMA SHRI USTAD SHAHID PARVEZ AT MPU**

MPU had the honor of hosting the legendary sitar maestro, Padma Shri Ustad Shahid Parvez. The event began with a serene Saraswati Puja, seeking blessings for knowledge and creativity. Ustad Parvez's mesmerizing sitar recital captivated the audience, offering a journey through the rich tradition of Indian classical music. His performance left an indelible mark, inspiring all present. Moments like these remind us of the power of music to connect and celebrate our cultural heritage. Stay tuned for more enriching experiences at MPU, as we continue to celebrate talent and tradition.

## GARBA NIGHT

Celebrating the energy and enthusiasm of our amazing students on the beautiful Garba Night! The awards were a small token of appreciation for the incredible spirit they brought to the event. Here's to many more happy moments and unforgettable memories.

## WILDLIFE WEEK

The Faculty of Agricultural Sciences & Technology launched Wildlife Week 2024, aimed at promoting wildlife conservation and reducing man-animal conflicts. The event began with a pot decoration competition, with over 100 students participating, showcasing their creativity in support of wildlife protection. The celebrations culminated on 11th October with a vibrant closing ceremony, featuring cultural performances from students across departments. Hon. Chancellor Mrs. Preeti Patel and Executive Director Ms. Esha Patel delivered impactful speeches on conservation strategies and the importance of preserving wildlife habitats. Dean Dr. Syed Afrayem praised the students' efforts and highlighted the need for continuous conservation action. The event concluded with the award ceremony, recognizing students for their outstanding contributions. The event was successfully coordinated by Dr. Raj Kumar, Ms. Prachi Bhojar, and Mrs. Shilpi Singh, ensuring a meaningful and impactful week dedicated to wildlife conservation.

## JUDO TOURNAMENT

Patel College of Science and Technology, Bhopal proudly hosted the RGPV Nodal Level Judo Tournament for Boys and Girls, bringing together talented participants from 7 esteemed colleges. The event was a thrilling showcase of strength, technique, and unmatched sportsmanship, leaving the audience in awe, a salute to all the participants for their dedication and competitive spirit. Such events not only highlight athletic excellence but also foster unity and determination among young talents.

## DISTRICT LEVEL CHESS TOURNAMENT

The District Level Chess Competition 2024 was successfully organized at the MPU campus, featuring 12 teams from across Bhopal. In a display of exceptional skill, Excellence College secured first place, with top players receiving certificates and awards in recognition of their outstanding performance. Six talented players were selected to represent Bhopal at the divisional level in Betul. Congratulations to all participants for their hard work and sportsmanship.

## ROPE-SKIPPING TOURNAMENT

Our students are eagerly waiting for their turn in the skipping competition! From focused faces to quick footwork, every jump brings them closer to victory. Let's cheer them on as they take on this challenge with full energy and excitement. Meet our rope-skipping champion who's mastered every trick and style on the ropes! From speed to freestyle, there's no limit to the skills they bring to the competition floor. Ready to inspire, amaze, and keep raising the bar.

## DISTRICT LEVEL KHO KHO TOURNAMENT

The Madhya Pradesh Higher Education Department hosted the Bhopal District Kho-Kho Competition on November 18, 2024, at Patel College of Science and Technology, Ratibad. Teams from various institutions participated, with one team emerging victorious in the final to claim the championship title. The event also served as a selection platform for regional teams. It emphasized the importance of sports in education, promoting teamwork, sportsmanship, and physical fitness, while showcasing the department's commitment to developing student athletes through healthy competition.

### WORLD MEDITATION DAY

Celebrating World Meditation Day at Madhyanchal Professional University On this special day, MPU hosted a soul-refreshing meditation session dedicated to fostering peace, mindfulness, and spiritual well-being.

We were honored to have Brahmakumari Purva Didi, a renowned meditation expert, whose profound guidance and enlightening teachings left us feeling rejuvenated, serene, and deeply inspired. Her wisdom truly resonated with everyone present, creating an atmosphere of harmony and positivity.

A heartfelt thank you to all who joined this transformative session and made it a success. Together, let's continue nurturing our minds and souls with such enriching experiences.

### OPEN MIC

Madhyanchal Professional University recently hosted an incredible Open Mic event, providing a vibrant platform for students to showcase their creativity and talent. From heartfelt poetry and soul-stirring songs to hilarious stand-up comedy and captivating storytelling, the evening was filled with energy, passion, and applause. This event highlighted the artistic spirit of MPU, fostering a culture of expression and camaraderie among students.

### NCC CAMP

Madhyanchal Professional University (MPU) recently hosted a 10-day Combined Annual Training Camp (CATC) and Pre-RDC-1, a vital step for the selection of cadets for the Delhi Republic Day Camp (RDC). Organized by the 1 MP Naval Unit NCC, the camp brought together cadets from various regions to compete in a series of physical drills, leadership exercises, and cultural performances. The Bhopal Group emerged as the Overall Champion, showcasing exceptional discipline and teamwork across multiple activities. The Jabalpur Group was awarded the Best Cadet and Innovation Award, recognizing their leadership skills and creative contributions throughout the camp. The event also featured captivating cultural performances, with the Raipur Group impressing the audience with a vibrant dance routine, while the Sagar Group performed a soulful patriotic song that moved everyone present. These performances added a unique and colorful touch to the camp, highlighting the cadets' diverse talents. During the grand closing ceremony, Chief Guest Major General Vikrant M. Dhumne lauded the cadets for their dedication and discipline, emphasizing the significance of NCC training in developing future leaders for the nation. MPU continues to support such initiatives, providing a platform for young minds to grow and lead with integrity.

### INDUSTRIAL VISIT

Educational Visit! First-year B.Tech and Diploma students of MPU and PCST explored the wonders of science during their visit to the Regional Science Centre, Bhopal. From interactive exhibits to hands-on models, students dived deep into the fundamentals of physics, mathematics, mechanics, and electronics, witnessing real-world applications of engineering concepts. A day filled with learning, exploration, and inspiration.

### NSS ORIENTATION PROGRAM

Madhyanchal Professional University proudly hosted the 'राष्ट्रीय सेवा योजना अभ्यास' on 27th December 2024, showcasing the unwavering spirit of our NSS cadets. Their exceptional teamwork, discipline, and commitment to serving the nation inspire us all. This event reflects our dedication to nurturing leaders who work towards building a better and united tomorrow. Let's applaud the cadets' efforts and celebrate this proud moment.

### SEVA BHARTI ANAND DHAM

Eldersmiles 2 was a heartwarming success! The Rotaract Club of MPU spent a beautiful day at Seva Bharti Anand Dham, sharing songs, laughter, and meaningful connections with the elderly. Their stories inspired us, and the joy shared was unforgettable. Huge thanks to all who made this event so special.

### SOS CHILDREN'S VILLAGE

Students of Madhyanchal Professional University recently visited SOS Children's Village, spreading smiles and creating unforgettable memories! This heartwarming initiative brought our students closer to a place that nurtures orphaned and abandoned children with family-like care and support. From sharing stories to moments of pure joy, this visit was a beautiful reminder of how compassion and connection can brighten lives. At MPU, we believe in not just academic excellence but also instilling empathy and social responsibility in our students. Together, let's continue making a difference, one smile at a time.

### STUDENT MADE CLEAN WATER SOLUTION

Shaping the future of clean water solutions! From meticulous site preparation to seamless system integration, every step of this project is a testament to precision, durability, and sustainability. This isn't just about building a shed—it's about creating an eco-friendly structure that supports a healthier tomorrow. Where engineering meets innovation, the possibilities for clean water and sustainable development become endless.

### CHILI SEEDING TRANSPLANTING

B.Sc. Agriculture 5th-semester students at MPU took their knowledge to the fields by transplanting chili seedlings at the Central Crop Research Farm. Hands-on training like this helps our students gain practical insights into modern agricultural techniques and prepares them for real-world challenges in sustainable farming. At MPU, we believe in combining theory with practical experience for holistic learning.
